<p>1. What is your research question?</p> <p>How Networking can positively impact future employability for the MA's Fashion Design Management Students as well as their personal adaptation journey to the LCF.</p>
<p>2. Who will be providing you with information to help you answer your question, and how will you approach and/or select them?</p> <ul style="list-style-type: none"> • <i>Students at UAL: As current or past MA Fashion Design Management (FDM) students, they will be able to provide insights about the students' awareness regarding all the networking possibilities at the LCF as well as the implementation of the same and its impact on their future employability. It will be equally explored how these opportunities facilitate the students' personal adaptation journey to the University. The course leader will provide access to connect to these students.</i> • <i>Staff at UAL: As a relevant staff member, they can provide meaningful insights about the current available networking options for the MA FDM students, as well as their professional perspective on the impact of those in the students' future employability. The staff member selection will be based on the department they work for: MA FDM, Graduate Futures, The Mentoring Network...</i>
<ul style="list-style-type: none"> • What will you be asking participants to do? • <i>To be aware of the research topic and aims as well as to consent their participation:</i> <ul style="list-style-type: none"> ▪ <i>To be interviewed</i> ▪ <i>That their voice will be audio recorded</i> ▪ <i>That their photo / a film of them will be taken</i> ▪ <i>To be observed and for field notes to be taken</i> ▪ <i>For their assessment feedback to be accessed, anonymised, and analysed for Research purposes.</i> ▪ <i>That information obtained may be published in an anonymised form.</i> ▪ <i>The data from the identified online platform</i> • <i>Staff member: Casual online conversation to understand all the available networking resources for the MA's FDM students and their goal.</i> • <i>Current & past MA FDM students: Microsoft Form Survey & Casual Conversation</i>
<p>3. How will you get informed consent from these participants?</p> <p><i>I will provide information about my research and obtain written consent in the due form. I will use a unique form as it would make it easier to sign it off online.</i></p>

<p>4. What potential risks to the interests of participants do you foresee and what steps will you take to minimise those risks? A participant's interests include their physical and psychological wellbeing; their commercial interests; and their rights of privacy and reputation.</p> <p><i>Unfamiliar terminology will be addressed with the well understandable explanation. The privacy data will be protected in the OneDrive. All the data from participants are protected and secured and data will be analyzed anonymously.
